KISS is an american rock band that was formed in 1973. They are well known for their face paint, costumes and pyrotechnics.

With their make-up and costumes, they took on the look of comic book-style characters: the Starchild (Stanley), the Demon (Simmons), the Spaceman or Space Ace (Frehley), and the Catman (Criss). Due to differences, both Criss and Frehley had departed the group by 1982.

Since they left the band they have been replaced by Eric Singer and Tommy Thayer. The band has continued with their original stage makeup, with Singer and Thayer using the original Catman and Spaceman makeup.

They were nominated into the Rock and Roll Hall of Fame in 2009. However, were not inducted until 2014.

Current members include; Gene Simmons, Paul Stanley, Eric Singer and Tommy Thayer.
